(THESE REQUIREMENTS ARE NOT NECESSARY DURING THE APPLICATION PROCESS. THEY MUST BE FULFILLED ONLY WHEN THE STUDENT HAS BEEN INFORMED BY THE COORDINATING UNIVERSITY THAT HE/SHE HAS BEEN ACCEPTED. PLEASE READ FOLLOWING PAGES)

All our four European universities need different documents from you for your admission and registration (in case you have been selected for studying this WOP-P Master Course after the selection process). Although each university of WOP-P Consortium has different formal requirements for the admission of students whose university degrees are issued by universities outside the EHEA, there are common formal requirements regarding the most important documents which our universities will need for your admission.

There are several documents which our universities will ask you for your admission, but the most important ones are as follows:

1. Your passport or any other identity document accepted by the university.
2. Your university diploma or degree in Psychology.
3. Your university marks certificate in Psychology.

For the application and selection process for WOP-P Master **the four European universities will accept a mere photocopy of these documents** as long as the language in which these documents are written is either English, Italian, Portuguese or Spanish. Other language will not be accepted. If your documents are not written in one of these mentioned five languages, you should send us a mere photocopy of your documents together with a translation into English made by a sworn translator. Other type of translations will not be accepted.

In case you are selected by our Consortium to study the WOP-P Master, take into account that ***your acceptance will be made conditional*** on the delivery of these documents **both Home-1st mobility and Host-2nd mobility University** in due time having the FORMAL REQUIREMENTS which are described below.
